

Y11 Summer Learning Booklet

Dear Holland Park Year 11 Student,

You can probably hardly believe you are now in Year 11 - time has gone so fast. We hope you've enjoyed reading your report. We want you to think really carefully about your end of Year 10 report, look back on the year and think carefully about how to get the results you want next year.

We've put together this booklet to help you throughout the year. Inside you'll find lots of useful information that will help you build on this year and prepare for next. There are details of coursework, reading material, book lists, places to visit and things to do. Also included is a Decision Making Planner to help you organise your time throughout the holidays.

Make sure you bring this booklet back to school in September because your teachers will be checking your work when you return. You should complete these tasks before September.

Along with this booklet there are a series of after school Learning Clubs that every year 11 student will attend during the year. These are designed to help succeed in your GCSE exams. Information about these clubs is in this booklet also.

Contents:

1. Subject Area Information (in alphabetical order)- coursework details, suggested readings, web sites and activities
2. Summer Decision Making Planner
3. Great web sites to refer to throughout the year
4. Year 11 Learning Clubs Overview
5. Finding out your learning style- a fun survey to do
6. Ways to enhance different learning styles
